

SMART LENDER - ELIGIBILITY ANALYSIS

Automated Loan Risk & Pre-Approval Assessment Report

Application Assessment Overview

DECISION: PRE-APPROVED

Applicant Name: bashsa
Risk Evaluation: Low Risk

Assessment Confidence: 83.3%
Credit History: Good

Financial & Demographic Profile

Parameter Name	Value Provided
Gender	Male
Marital Status	Unmarried
Dependents	1
Education	Graduate
Self-Employed	No
Applicant Monthly Income	\$54,000.00
Co-Applicant Monthly Income	\$0.00
Requested Loan Amount	\$10,000,000.00
Amortization Term Period	12 Months
Location Property Area	Urban

Underwriting Reasoning & Explanation

Applicant has a positive credit history, demonstrating low historical default risk. Elevated Debt-to-Income (DTI) ratio of 18518.5%, signaling potential budget strain in matching monthly payments. Graduate educational status correlates with stable professional mobility and steady income prospects.

Actionable Financial Suggestions

- Apply for a lower loan amount or extend the term period to reduce monthly amortization limits.
- Proceed with submitting official salary slips and properties documentation for final processing.
